No.G-1.

Public Works Department,
Belgaum: 24th July, 1950.

Subject :- Motor accident at Divgi ferry in the Kanara Division.

An accident occurred at the Diggi ferry near Kumta in mile 3/2 of Kumta Hubli Road in the Kanara Division at about 11 p.m. on 28-6-1949. A motor truck No.BYX-2447 fell into the creek while being taken on the ferry jungal by its driver. As to the cause of the accident, it is reported that the driver of the truck tried to take the truck himself on the jungal platform, when the ferry Khlasis were on the other side of the creek. He also did not unload the goods therein. In the operation, the moring ropes tied to the posts on the landing stage gave way probably due to these being weak and also due to the heavy strain. The Police proceedings against driver who is mainly responsible for the mishap is still ~~is still~~ in progress and the result of the proceedings is yet awaited from the Regional Transport Officer, Belgaum, with whom the complaint is lodged.

2. There have been no casualties nor any damage to Government ferry equipment etc. The ferry contractor is partly responsible for the accident and he was called upon to explain as to why he allowed the loaded truck to be embarked, on the Jungal platform, without examining the truck first as to whether it was loaded or empty. The ferry contractor states that he passed the receipt for ferry toll thinking that the truck was empty. But when his agent went out to call the Khalasis, he had found that the truck was loaded with goods. The driver of the truck was, it seems, requested by him to unload the goods and to pay the ferry toll for the same. But it has not been made clear by him as to why he allowed the driver to take the truck loaded on the jungal. As per cause 22 of the ferry agreement, the contractor is also responsible for having allowed the loaded truck on the jungal in the absence of Khalasis without securely mooring the jungal to the landing stage. Besides it was doubtful whether the rope tied to the jungal and which gave way was strong enough for the purpose. The Executive Engineer, Kanara Division has, therefore, been instructed to enquire and take necessary action against the ferry farmer so as to avoid recurrence of such happenns.

The Resident Magistrate First Class, Kumta has since decided the case regarding the above accident, and the accused Shri.A.K.DSouza driver of the truck, has been sentenced to pay a fine of Rs.25/- which has also been recovered.

2. The Executive Engineer, Kanara Division had written to the Regional Transport Officer K.R.Belgaum enquiring as to the departmental action taken against the driver. That Officer stated that suitable action would be taken when the said driver applies for renewal of his license. Other Regional Transport Officers in the Bombay State have also been requested by the Regional Transport Officer Karnatak Region to direct the driver to him when he turns up for any work in connection with his M.D.L.No.1847/Kr.

Pl. see the given reports that the case regarding the motor accident at Virgi has since been decided and the driver of the truck, Shri A.K. D'Souza, has been fined Rs. 25/- which has been recovered. As regards departmental action against the driver the Ex. Engr., Kanara Div. made enquiries with the R.T.O., Kanatak Region. The latter stated that suitable action would be taken when the driver applies for renewal of his license. The R.T.O., Kanatak Region has asked the other R.T.Os in Bombay State to direct the driver to him when he turns up for any work.

2. No further action seems necy. on these papers.
